

# Air Force Court-Martial Summaries

---

June 2015

*This report lists convictions and acquittals for special and general courts-martial. The Air Force publishes these cases for deterrence purposes. Each military justice case must be resolved on its own facts. There are no expected or required dispositions, outcomes, or sentences in any military justice case, other than those resulting from the individual facts and merits of a case and the application of due process of law. Adjudged sentences reported here do not reflect any relief on the sentence that may have been granted during clemency, pursuant to a pretrial agreement in exchange for a guilty plea, or on appeal.*
